

Skill Share Application for Stonehouse Farm 2015

We are grateful for your interest in sharing skills with the Stonehouse Farm community during the Homegrown Bluegrass & Homestead Gathering (July 3-5), Women's Celebration (Aug 7-9), and/or during on-going Stonehouse Farm Weekend Retreats.

Please give us more information about your offerings and experience. There are limited spaces available to teach or skill share, and unlimited opportunities to be involved with Stonehouse Farm in other ways such as joining as a participant or doing a work-trade.

You may include your application in an email to info@stonehousefarm.com (email title: Skill Share Applicant), fax your form to 312-942-9440, or mail to:
Stonehouse Farm (Chicago Office)
700 N. Carpenter
Chicago, IL 60642

Due to the high number of applications, we will respond to you no later than January 31, 2015 if there is a good fit for the upcoming summer. Please know that we always want to stay in contact and are open to working together in the future whether it's in 2015 or in subsequent years.
